LETTER FROM THE FOUNDER & CEO

Welcome to the T18 Family! Welcome to the mission field! Throughout 2025, I would find myself overwhelmed with gratitude for all that the Lord has done through THREE18. When I look back on the past year, I see God's hand guiding, providing, and opening doors that only He could open. What began as a step of obedience has continued to grow into a movement of faith, impact, and lives being changed for the sake of the Gospel.

The year marked another significant milestone for our ministry. We have seen continued growth across every area of THREE18—from campuses and communities here at home to our expanding work in Belize. Week after week, we have had the privilege of walking alongside students, athletes, volunteers, and families, pointing them to Jesus and helping them take next steps in their faith. The Lord has been faithful to use simple yeses, faithful servants, and generous partners to accomplish far more than we could have imagined.

One of the most defining aspects of 2025 was deepening our international presence in Belize. What started as short-term mission trips has continued to grow into long-term relationships, consistent outreach, and tangible ministry infrastructure. Through La Paz Camp and our partnerships with local churches and leaders, we have been able to serve communities through sports ministry, health and wellness initiatives, discipleship opportunities, and mission teams from across the United States. Each trip and project has reinforced the same truth: God is at work, and He is inviting us to be part of what He is doing.

Throughout 2025, our ministry has been anchored by the theme "Anchored in Christ." This truth, rooted in Colossians 1:23 (NLT), has guided every decision, every conversation, and every step of faith:
"But you must continue to believe this truth and stand firmly in it. Don't drift away from the assurance you received when you heard the Good News."

As we adventure through 2026, we do so with faith, humility, and expectation. God continues to expand our reach on campuses, within local communities, and internationally. New partnerships, future projects, and ministry opportunities are already taking shape, and we are prayerfully preparing for what lies ahead. None of this would be possible without the faithful prayers, generosity, and encouragement of those who walk alongside us.

Thank you for believing in this ministry, for investing in lives, and for standing with us as God continues to write this story.

THE PLANE THAT CHANGED EVERYTHING

PLANE TO LA PAZ CAMP

In November of 2024, Brett (Founder/CEO) had taken Rick Manis (Director of Belize) to his new home in Belmopan, Belize. During the short trip, Hurricane Sarah formed in the gulf and the airlines feared the worse for Belizean travelers. Brett was forced to return home early and the rest became history. While on the flight, Brett became acquainted with several Conway Arkansas Pastors along with La Paz Camp Belize owner, Rik Sowell. Brett hit it off with Mr. Sowell and the two began planning for future T18 teams to visit and stay at the camp. Tragically, Mr. Sowell suffered a medical emergency in January of 2025 and the plans fell flat. God showed his hand and through lots of prayer and guidance, T18 began renting the facility for team use in January. This allowed for our Director of Belize to move from Belmopan to Succotz and begin managing the La Paz Camp property. By the middle of spring 2025, T18 would step into a management role where our ministry would assume all of the monthly financial responsibilites such as utilites and staff payroll. We are excited to announce that by close of business in December 2025, T18 will transition from being property managers of La Paz Camp Belize to Owners of La Paz Camp Belize. We are extremely grateful for the Sowell family and their faith in T18 to continue their legacy in Belize.

50 X 50 CHALLENGE

Our team is looking to raise an additional $2,500 through monthly partners by the end of December. We are looking to add 50 new Home Team members at $50.00 per month. This opportunity allows everyone to be involved and can help change the landscape of ministry locally and around the globe.

FUN FACTS ABOUT LA PAZ CAMP BELIZE

- ☑ It is located within Succotz Belize, just a few miles from Guatemala.
- ☑ Xunantunich is an Ancient Maya site and can be seen from camp.
